

# Request for Board of Commissioners' Action

**From:** Faye Hughes, County Administrator **Date:** May 24, 2017

**Subject:** Resolution – Workers' Compensation **Item Number:** VIII-B

ACCG has recommended that Cook County adopt a new resolution for workers' compensation coverage. Over the years the county has passed several resolutions and we have antiquated resolutions still on record. The new resolution will clean up any retired coverages that the county once had and there will be a clearer record of who is actually covered under our workers' compensation policy.

The Chairman will need a motion to adopt the Resolution for Workers' Compensation coverage.
