

Request for Board of Commissioners' Action

From: Faye Hughes, County Administrator **Date:** July 7, 2017

Subject: Surplus Transit Vehicles **Item Number:** VIII-B

Please see the attached correspondence from GDOT. There are 2 surplus transit vehicles that we have the option to purchase for \$4500. Since, MIDS operated the vehicles for Cook Transit we asked for their recommendation. See below.

If purchased the vehicle would be assigned to the Senior Citizen Center.

Danny Saturday's, Director of Operations –MIDS, Recommendation:

#3328 had 134,000 miles on it and 3331 had 178,000 miles when they were returned to GDOT. If I were going to purchase one I would purchase the lower mileage one...#3328. However with the maintenance being done on these every 5000 miles either would probably give you 200,000 plus miles without much expense.
