The Department has approved the County/City application for additional LMIG funding assistance for the *Off-System Safety Improvement Program*. The Department will commit up to **\$56,000.00** or **70%** of the project cost, whichever is less. The project will be funded out of the Department's Local Maintenance & Improvement Grant (LMIG) Program. Construction of the repairs must begin before December 31, 2017 or the approval may be cancelled.

These funds will be in addition to the County/City 2017 LMIG allocation. In order to receive the funds, the City/County will need to submit a low bid amount awarded for the projects and return to the address shown below:
