

Request for Board of Commissioners' Action

From: Faye Hughes, County Administrator Date: 9/20/2017

Subject: Striping Bids Item Number: VIII-A

As you may remember we opened the striping bids during the September 18, 2017 Work Session. There were two bids:

Peek Marking, LLC Columbus, GA **\$188,900**

This price is after they went back and took all signs off other than STOP signs

MidState Construction and Striping, Perry, GA **\$132,645**

I have discussed the bids with both companies and they are exactly the same: Center line raised pavement markers, THERMOPLASTIC Rumble Strips, approaching stop signs, painted center lines and edge lines. Thermoplastic stop bars and symbols, replace existing stop signs.

It is my recommendation that we go with the low bid of MidState Construction.

Motion made by _____

Second made by _____
