There will be a Work Session Meeting of the
Cook County Board of Commissioners
Held on **August 17, 2015** at **4:00 pm** in the
Cook County Commissioners Office

Agenda

Appointments:

4:00 p.m. Steve Edwards ♦ Advanced Environmental

Discussion Items:

A. Daniel Barber ♦ Road/Landfill Superintendent

1. **Work Detail Update**

2. **Attached is a proposal for a lease on a tractor and sidearm mower for 36 months**, allowing a trade for the JD 7130 tractor that we currently have. It has a 12 month warranty. I believe this is information that you discussed with Daniel at the last meeting.

3. We have had a request from an employee to be able to take classes. He will need to leave work 30 minutes early to get to the classes on time. The supervisor mentioned it to me, my response was that we are not supposed to do that. The reason for my response is I know the last time something like this came up it was a problem.

The employee has already discussed this with Commissioner Jeff Lane, I think he might be able to explain the request more. Whatever the Board chooses to do we should probably add some language to the Personnel Policies to record a final decision in the matter?

C. Fire Services (requested by Commissioner Jeff Lane)

- Timmy Guthrie re: Air Tank Trailer (requested by Commissioner Randy Lane)

D. Retreat for Board members ♦ schedule a date.

Executive Session: If Needed

In Accordance with O.C.G.A. 50-14-2(1), 50-14-2(2), 50-14-3-(4), and 50-14-3(6)
