

COOK COUNTY COMMISSIONERS

Work Session 5:00 p.m.

March 2, 2015

Present: Jeff Lane, Chairman
Randy Lane, Vice-Chairman
Debra Robinson, Commissioner
Michael Dinnerman, Commissioner
Dwight Purvis, Commissioner

Staff Present: Faye Hughes, County Administrator
Vicki S. Parrish, County Clerk Appointments:

Guy Milliken / Yancey Bros. Co. presented information to the Board regarding lease options for dump trucks.

Daniel Barber / Road Superintendent: Work detail was reviewed; discussed washes on hill at the landfill from recent rains, contractor will be responsible for grassing areas. Presented quote from Wallace Trucks to repair/rebuild transmission in the 2007 Case Backhoe.

DISCUSSION:

LMIG PROJECTS:

Airport Square	\$334,985.00
Nell Purvis and McConnell Bridge Intersection	\$62,844.00
McConnell Bridge and Old Union Intersection	\$57,904.00
Total	\$455,733.00

The estimates above are based on all of the work being bid out and constructed by others. If we construct Airport Square with Cook County personnel and equipment there will be substantial savings.

I expect that Airport Square could be constructed for around \$200,000.00 using Cook County forces. If so, this would allow us to repair the two intersections I have listed as well. My estimate numbers are a little high on the intersections, so I expect that I could value engineer the work as needed to get all three projects built with the money allocated by GDOT.

Board agreed to instruct ASA Engineering prepare bid specs for projects as presented.

Road Department Building– repairing rollup door at shop and creating a rear entrance in the old block building for storage.

Work session adjourned 5:55 p.m.
