Commissioner Michael Dinnerman called the work session to order and the Board met on the following items:

PAYROLL ISSUE: The Board discussed the new payroll schedule, Tuesday to Monday, allowing employees' use of sick or annual leave to cover the two day change in the payroll schedule.

KINARD BRIDGE ROAD: Larry Sanders presented an alternative method for resurfacing the area damaged on Kinard Bridge Road, 420 linear feet that wasn't covered under the recent resurfacing contract. Quote from Scruggs \$29,372.97, approximately ½ of the cost of traditional resurfacing.

2015 LMIG PROJECTS: \$317,039.44 is the 2015 LMIG allocation. The 30% the County is required to match to receive the \$317,039.44 is \$95,111.83. We have already spent \$312,214.35 in projects that were not covered by last year's LMIG. We were able to use the funds spent by the County to repair North Union Road as our match for FY 2014 LMIG. To use the funds we spent on Project 1401 should allow 2015 LMIG to fund the project you chose entirely.

DANIEL BARBER, ROAD/LANDFILL SUPERINTENDENT: Update on road work, discussed the 7130 John Deere tractor and mower lost in a fire; and, cost of a replacement tractor and mower.

Work session adjourned.
