

# Request for Board of Commissioners' Action

From: Faye Hughes, County Administrator Date: 12/29/2017

Subject: 2018 LMIG Proposal Item Number: Work Session

This is the priority Larry Sanders has prepared for the Board's consideration.

<b>Priority 1 - Evergreen Church Road (Mill and Mix Soil Cement in place – Dbl Surface Treatment)</b>	<b>\$64,299.15</b>
<b>Priority 1 - North Union (Mill and Mix Soil Cement in place – Dbl Surface Treatment)</b>	<b>\$166,178.75</b>
<b>Priority 2 - Lakeview Church Road (Patch and Resurface – Dbl Surface Treatment)</b>	<b>\$342,799.00</b>
<b>Priority 2 - McConnell Bridge Road (Patch and Resurface with Double Surface Treatment)</b>	<b>\$264,374.05</b>
<b>Priority 3 - Quillie Jones Road (Mill and Mix Soil Cement in place – Dbl Surface Treatment)</b>	<b>\$203,315.15</b>
Priority 4 - Hutchinson Parrish Road (West Section – Mill and Mix)	\$323,678.00
Priority 5 - County Farm Road (Patch Only)	\$274,439.10
<b>Priority 6 - Hutchinson Parrish Road (East Section Patch Only)</b>	<b>\$110,178.75</b>
<u>Priority 7 - Rountree Bridge Road (Patch Only)</u>	<u>\$104,285.50</u>

<b>TOTAL COST:</b>	<b>\$1,853,547.45</b>
2018 LMIG:	\$ 448,482.69
Required match:	\$192,206.97
Balance to be funded:	\$1,212,857.78

The order in which these roads are bid is at the discretion of the Board. The 2018 LMIG and match total \$640,689.66. It is my recommendation that the Board consider adding an additional \$500,000, bringing the total estimate of the projects to \$1,140,689.66. If the Board agrees, the first five roads on the priority list totaling \$1,040,966.10 could be resurfaced as proposed by the County Engineer, Larry Sanders leaving \$99,723.56 for contingency purposes.
