

Dear Ms. Hughes,

Carter & Sloope would like to invite you and all Cook County Commissioners, County Clerk, County Attorney, and their spouses to the Client Appreciation Dinner which we are hosting on Friday, April 27, 2018 at the Westin in Savannah (see attached invitation). This dinner will be held following the Friday evening conclusion of the County Buyers Mart of the ACCG Annual Conference. Please distribute this invitation to each potential attendee from your County and let everyone know that spouses are welcomed. I will follow back up with you as we get closer, but I wanted to go ahead and get this invitation to you so you can mark your calendar for our Client Appreciation Dinner. We value your partnership and we look forward to seeing you in April! If you have any questions about this invitation, please do not hesitate to contact me or Lauren Frounfelker at lfrounfelker@cartersloope.com. Also, please reply to Lauren with your number of attendees once you've received responses from your group.

Sincerely,

John L. Stover, Jr.
