Cook County Airport

AIRPORT CONSULTANT PLANNING AND ENGINEERING SERVICES

Cook County, Georgia, requests “STATEMENTS OF QUALIFICATIONS” from qualified firms to engage the services of a consulting firm for planning, engineering, and administrative services in connection with the Airport Capital Improvement Plan (CIP) at the Cook County Airport. Notices of Requests for Statements of Qualification will only be provided to qualified consulting firms that are currently GDOT approved in Area Classes 1.08, Airport Master Planning, and 2.09, Aviation.

The required format and details for submitting the Statements of Qualification may be obtained from Cook County’s website www.cookcountyga.us or by phone request to Vicki Parrish, County Clerk, at 229.896.2266 or vicki@cookcountyga.us. This is not a request for a priced proposal. Statements must be sealed, delivered by mail or in person, and marked ‘Airport Consultant Engineering Services’ on the outside of the envelope.

Statements of Qualifications must be received by the Cook County Board of Commissioners, 1200 S. Hutchinson Ave., Adel, Georgia 31620. Deadline for submitting sealed bids will be Monday, April 30, 2018 at 12:00 Noon.
