

# NOTICE

**Cook County, Georgia has prepared an Environmental Assessment for proposed development at the Cook County Airport.**

**The proposed project includes:**

**Extend, mark and light Runway 5 by 500' x 100' for a total length of 5501'  
Construct Runway Safety Area 300' x 150' on both ends of Runway 5/23  
Install new airfield signage  
Install new PAPIs on Runway 5/23  
Install drainage  
Repair taxiway damage  
Publish and implement new approach procedures to new runway end**

**The Environmental Assessment has been prepared in accordance with the National Environmental Policy Act requirements and Section 1(a)(4) of Executive Order 11988 and Paragraph 7 of Department of Transportation Order 5650.2 that requires agencies to provide the public an opportunity for public review of any plan that would encroach on the base floodplain. This Notice is also required to meet Executive Order 119990, section 2(b) for impacts to wetlands.**

**The Environmental Assessment will be available for review at Cook County Administration Office, 1200 South Hutchinson Avenue, Adel, GA 31620 between the hours of 8:30 am to 4:30 pm, Monday through Friday until June 17, 2018. Written comments will be accepted until June 20, 2018. Comments can be mailed to:**

**County Administrator Faye Hughes at Cook County Administration Office, 1200 South Hutchinson Avenue, Adel, GA 31620 or sent to [cookgov@windstream.net](mailto:cookgov@windstream.net)**
