

Request for Board of Commissioners' Action

From: County Administrator, Faye Hughes **Date:** May 16, 2018

Subject: Funding Full-time Airport Manager **Item Number:** VIII-B

During the May 7th work session, Michael Dinnerman, Airport Authority Chair, presented a request from the Airport Authority to partner with the City of Adel, EDC, IDA and the Authority each funding \$8000.00 each annually for a full time airport manager. Any additional expenses such as social security, etc will be funded by the authority. According to Mr. Dinnerman, recent security issues at the airport and the increased volume of air traffic has mandated that someone be on staff at the airport. He also asked that the position of manager be considered as a county position.

During the last meeting the board took this request under advisement.
