Subject: EMS Council Rep

Faye,

Ken Morey is currently the appointed Representative for Cook County on the Region 8 EMS Council. The representative for the EMS Council is appointed by the Local County Manager or Chairman of the County Commission. Do you wish for Ken to continue to represent Cook County or do you wish to appoint someone else? The person you appoint does not have to be from EMS. Please let me know your decision prior to the next EMS Council meeting, which is scheduled for September 12. Let me know if you have any questions.

Thanks, Robert
