

Request for Board of Commissioners' Action

From: Faye Hughes, County Administrator Date: 1/9/2019

Subject: Fire Trucks Item Number: Work Session - B

A request has been made by the Cecil VFD to take the alternator from the Chaserville Fire Truck, (Brush Truck).

Another request has been made that Chaserville VFD be allowed to take the surplus truck that belonged to Cecil to be used for spare parts.

Also a request has been made by Chief Keith Walker for a surplus vehicle, that might be available from the Sheriff's Dept. I discussed this request with the Sheriff. The Sheriff stated he would be glad to discuss the request.

If the Board chooses to move the vehicles, it needs to be recorded in the minutes in order for Vicki to keep up with them for the asset report for our insurance and for the auditors.

Motion should be made in the direction the Board choses to go.
