MARCH 20,2019

# Request for Board of Commissioners' Action

From: Lamar Ray, 911 Director Date: February 12, 2019

Subject: New Radio/Antenna System for 911 Item Number: VIII-B

Attached are two quotes from RCE of Valdosta for a new radio and phone system for 911. This will be replacing a system that has been in use since 2005 when the 911 building was completed.

Quotes are for the same equipment. New equipment costs will be \$310,000.00. RCE's fiscal year ends on March 31<sup>st</sup> and is offering a reduced amount of \$265,000 for the radio and phone system should the county commit to the purchase before the end of March, a savings of \$45,000.

Chair will need a motion to approve the purchase of the radio and phone system for the 911 system and commit to the purchase before March 31 for the discounted amount of \$265,000.

Or

Chair will need a motion to approve the purchase of the radio and phone system from RCE in the amount of \$310,000.
