

Request for Board of Commissioners' Action

From: Faye Hughes, County Administrator Date: 2/13/2019

Subject: Surplus Vehicles Item Number: VIII-C

The following vehicles have been taken out of service in the Sheriff's Department:

3 Tahoes – 1 has a transmission issue, 2 were still being used when replaced.

1 Dodge Charger – in good condition

1 Dodge Charger – formerly K-9 unit

2 Crown Vics – air conditioning systems out of order, too expensive to repair due to value of the vehicle

There have been several inquiries concerning the former K-9 Unit. This vehicle could be sold to another county. The Sheriff's Department would be glad to handle the sale if the Board chooses this option.

There have been two other inquiries concerning the need for a vehicle:

1- Volunteer Fire Departments

2- Airport Authority, Jerry Connell to replace existing Expedition

The Board's decision concerning these vehicles needs to be recorded in the minutes in order for future Board members and staff to know where the vehicles are assigned.
