### WORK SESSION – AGENDA

April 15, 2019 at 5:00 pm

#### Appointments:

A. Jess Permenter, Building/Zoning Administrator: Jess would like to discuss the possibility of adding a permit for roofing to the Building/Zoning Ordinance requirements. There have been times in the recent past where members of the public have been taken advantage of by people who really were not equipped repair roofs as they should be. This usually occurs after storms such as those that have happened in counties all around us over the last few years and some even here. Most all counties surrounding Cook County require roofing permits. Prior to beginning the process of adding this permitting to our Building/Zoning Jess wanted to discuss it with the Board in order to explain the necessity.

B. Rusty McCranie , Road Department Superintendent

- Work Detail
