

PUBLIC NOTICE

COOK COUNTY BUILDING & ZONING

Beginning June 1, 2019, Cook County will impose a cost-based permit for any type roofing replacements and/or repairs.

This permit will allow for inspections and penalties as any other type construction permit issued in Cook County as allowed by the Cook County Zoning Ordinance. This permit is not required in addition to a new construction permit, only repair and replacements.

If you have any questions or concerns, please call Cook County Building and Zoning at 229.896.2266.
