

# Request for Board of Commissioners' Action

From: Daniel Barber Date: August 12, 2019

Subject: Collections Sites Item Number: W/S Discussion A

The photos attached were taken of the Hwy 41 North collection site Monday morning. Mr. Ed Garrett, our attendant, was at the site on Sunday p.m. and made sure the gates on the sway cars were secured. This was the condition of the site on Monday morning.

Daniel has requested permission to publish a notice asking citizens to report information of anyone that might have been seen scrounging in the collection site dumpsters.
