

# Request for Board of Commissioners' Action

From: Faye Hughes, County Administraator Date: 10/8/2019

Subject: Volunteer Fire Personnel Compensation Item Number: Work Session A

In order for the County to begin paying Volunteer Fire Personnel, the Board must adopt a policy setting standards of payment. Below is an example of compensation schedule. It is my recommendation that the Board consider adopting this policy as its standard.

## **Cook County Volunteer Fire Personnel Compensation Policy**

All pay is computed monthly and is paid on the first or second paid period in December (depending on when the pay period falls).

*False Alarms.....	\$23.00
*Hose line 1 $\frac{3}{4}$ " or less/ Mechanical equipment ie: chain saw, smoke ejector etc .....	\$26.00
*2 $\frac{1}{2}$ " hose line, Hydrant hook up, mutual aid .....	\$30.00
*business meetings, training drills.....	\$18.00

Fire Chief and Department Chief must verify volunteer's participation in calls for payment to be properly calculated.

Chair will need a motion to adopt the policy as standard for paying the Volunteer Fire Personnel.
