

# Request for Board of Commissioners' Action

From: Faye Hughes, County Administrator Date: \_\_\_\_\_

Subject: Equipment for Sprayer at Landfill Item Number: \_\_\_\_\_

Please find attached three bids for an all terrain type vehicle for the landfill. The purpose of this vehicle is to haul a sprayer. The purpose of the request is to safely get to the different monitoring wells. Some of the wells are not easily accessed with a tractor or a truck. This vehicle would allow spraying to be done in a more accurate and efficient manner, while not tying up other pieces of equipment.
