

COOK COUNTY COMMISSIONERS

Work Session 5:00 p.m.

June 1, 2020

Present: Jeff Lane, Chairman
Audie Rowe, Vice-Chairman (via teleconference)
Debra Robinson, Commissioner (via teleconference)
Lindsey Parrish, Commissioner
Dwight E. Purvis, Commissioner

Staff Present: Faye Hughes, County Administrator
Nanette Dickerson, Deputy County Clerk

Chairman Lane called the work session to order.

Rusty McCranie, Road Superintendent

- Mr. McCranie discussed the most current issues with the 2007 420E CAT Backhoe - repairs are needed to the cylinder that was recently repairs by Cook County Welding, \$1775.00. Now the machine needs additional repairs of \$13,250. Not sure issues are related to the repairs done by Cook County Welding; however, they are consulting with their liability insurance.
- Mr. McCranie asked about renting a boom lift with basket to cut limbs/trees off Antioch, Val Del, Masee Post and McConnel Bridge, this machine will aid in keeping debris off lawns, \$750 per week.
- Commissioner Parrish requested to hold off grading Forte Road, Shaw Road, Billy Browning Road.
- Jamie Allen requested clay and rock for Crosby and Ernest Flowers, instructions were given by the Board as to how to accomplish the issues with less expense.

Carl Hofstadter - Hofstadter and Associates

- Mr. Hofstadter discussed the new 5-year permit review required by EPD. In order to keep the landfill permit from being "unpermitted", the county will be obligated to correct any and all issues found in the review, approximate cost to do all that has to be done is \$50,000 to \$90,000. Federal review of the EPD has spawned this "new" 5-year review.

James Thomas discussed ways to control litter in the county.

With all business concluded, work session adjourned.

COOK COUNTY COMMISSIONERS

This 6th day of July 2020.

/s/Jeff Lane, Chairman

/s/ Vicki S. Parrish, County Clerk
