

COOK COUNTY COMMISSIONERS

Work Session 5:00 p.m.

July 6, 2020

Present: Jeff Lane, Chairman
Audie Rowe, Vice-Chairman
Debra Robinson, Commissioner (via teleconference)
Lindsey Parrish, Commissioner
Dwight E. Purvis, Commissioner

Staff Present: Faye Hughes, County Administrator
Vicki S. Parrish, County Clerk

Chairman Lane called the work session to order.

2020-2021 Budget Work Session – Board continued review of county departments' budget request for the upcoming fiscal year.

Rusty McCranie, Road Superintendent

- Discussed discount pricing for the shop lift installation, with discounts final cost, \$11,150; 2 year warranty on jacks and 5 year warranty on the lift itself
- Mower Max a/c has been repaired.
- Felts M/H Park – drainage issues, need easements for Chandler Bennett, and Edgar Gornto properties. Mr. Felts does not want county equipment pulling ditches in the m/h park.
- Board agreed to open hiring for the road department, hiring was suspended due to COVID-19.
- Commissioner Lane requested a tree be removed on Val Del Road at the crossroads; Commissioner Parrish requested that a tree stump left from the storm be removed on Forrest Hill Road.
- Boone Road and Howard Bennett Road, ditches haven't been pulled, machine is down for repairs.
- Commissioner Rowe mentioned a missing stop sign down at Old Union and Rountree-McCranie Road, Bill Rountree has been having issues with semi-trucks driving onto his property making the turn.

Johnny West, Fire Chief/EMA Director

EMA

COVID-19 update

- Currently 182 Positive, 2 deaths, 2 additional deaths over the weekend that were COVID 19 positive. On 5/18 it was 32 positives with 221 test completed.

Hurricane Season – Shelter Information

Fire

ISO is still scheduled for the July 15th pending COVID 19 restrictions.

Equipment from the Fireworks Grant that was awarded for the amount of \$21,976 is 90% here. Only waiting for PPV fans.

Waiting on the Compliance certificate for North Cook at the Brad Street station.

Firefighter training will resume as soon as the restrictions for social gathering can be lifted. This will help with certification for an additional 10 personnel at the firefighter level.

Tahoe from the Sheriff's office is now in service. Old Fire command Tahoe can be turned over to the County Road Department if needed.

With all business concluded, work session adjourned.
