

Request for Board of Commissioners' Action

From: Faye Hughes, County Administrator Date: 10/09/2020

Subject: Called to Care Lease Item Number: VIII-B

In the October 5th meeting, the Commission reviewed the request from Ms. Sky Robinson, DFCS Director, to allow Called to Care using their storage building located on the back of the property. As you remember, Called to Care needs room to store household items for needy families. The organization feels it necessary to insure the contents of the building. In order that the insurance need be met, the county would be required to lease Called to Care the building.

Daniel Connell has prepared the attached lease for your approval.

Chairman will need a motion to approve the lease for Called to Care occupying the storage building on the DFCS property.
