County Administrator, Faye Hughes, recommended the Board consult with Ritchie Swindell's company to come up with a 5 year CIP on county roads. His cost will be \$100 per mile. Funding to support the project could be pulled for the County's T-Splost funds.

Rountree Bridge Road Striping: Commissioner Rowe asked for the Commission's consideration for striping Rountree Bridge Road. He stated he was not a fan of patching but understood the limitations of funding. But requested consideration in having the Rountree Bridge Road restriped due to the condition of the markings that make it unsafe for travel, especially during rain. County Administrator, Faye Hughes, will discuss funding needs with GDOT.

Road Department – 2020 John Deere Quicke Q-6, 2020 Oliver & DAHL BR96 Grapple: Commissioner Rowe moved to approve the quote from John Deere for a 2020 Quicke Q-6, and 2020 Oliver & DAHL BR96 Grapple, \$19,850. Legacy Behavioral Health – Community Service Building: Commission voted unanimously to approve Legacy Behavioral Health occupying the Service Center Building, (Old Quitman Road). Requested renovations will be presented to the Commission and Jess Permenter, Building/Zoning Administrator, for approval. Commissioner Parrish made the motion, seconded by Commissioner Purvis.

Commissioner Rowe abstained from the vote due to his appointment on the Behavioral Health Board.

Executive Session: Commissioner Rowe moved to enter into an executive session with the right to return to regular session. Motion carried with second from Commissioner Purvis.

Commissioner Parrish moved to close executive session and return to regular session, second by Commissioner Purvis. Motion carried.

Economic Development Commission – Correspondence, Medical Cannabis Company: County Administrator, Faye Hughes, read correspondence from Lisa Collins, Executive Director - Economic Development Commission, submitted on behalf of the Cook County Economic Development Commission and the Adel Industrial Development Authority. Said correspondence described a prospect for a medical cannabis company in Cook County. Development is projected to occupy property in the South Cook Industrial Park.

2020 John Deere 670G Motorgrader w/Ditcher, Vin# 9048: Commissioner Purvis moved to accept the 2020 670G John Deere Motorgrader, Vin #9048, that recently required the transmission be replaced. The motorgrader was accepted by bid from Flint Equipment on September 8, 2020, suffered transmission failure after delivery date -November 17, 2020. Motion was seconded by Commissioner Rowe and carried unanimously.

From the Work Session:

Mr. Bill Murphree, Flint Equipment, assured the Board that Flint will do the right thing with concerns of the machine, and they will stand behind the repairs 100%. The transmission is new, it was taken off the assembly line and shipped to us. He also stated that repairs needed over the 5 year/7500 hours would not cost the county anything- the buyback will remain the same and the warranty will remain the same. He added that this is not a normal problem that Flint experiences, but the company feels good about the repairs and feels the county is in good shape. Mr. Murphree assured the commission that should the new machine be down for repairs, Flint will provide a replacement machine.

With all business concluded, meeting adjourned.
