

Request for Board of Commissioners' Action

From: Faye Hughes, County Administrator Date: December 4, 2020

Subject: 2021 LMIG Item Number: VIII-C

The LMIG application is due by December 31, 2020. If we do not get this application in by that time. We will not receive the 2021 LMIG funding. This year due to COVID-19 and less travel, funds are down considerably. The allocated LMIG for 2021 is \$435,726.65.

The Board needs to make a decision on which roads to include in the LMIG application. We had an estimated cost for Joiner Road, Ed Lindsey, Greggs, Rountree Bridge patch, County Farm, Springhill and Hutchinson Parrish.

Larry Sanders has said that he will not be finished with the scoring of the list of roads given to him several months ago. Therefore, the Board has to make a decision. We will have to verify the roads included in the LMIG application have been repaired as included in the application.

Please be prepared to make a decision Monday night.
