**Re: Cook County Emergency Medical Services Agreement**

Dear Faye,

Grady EMS has been providing the Emergency Medical Services for Cook County under a Services Agreement dated May 4, 2018. As the Commission will be reviewing the Agreement for the third renewal early next year, we request to discuss and negotiate the terms of the Agreement before December 18, 2020 pursuant to the current Agreement, page 3, section V.

We look forward to working with you and continuing to serve the citizens of Cook County.

Sincerely,

A handwritten signature in dark ink, appearing to read "William E. Compton".

William E. Compton  
Senior Vice President
