Subject: Cook County Airport Hangar D and E; Recommendation of Award letter

Faye,

Find attached the Recommendation of Award letter for Hangar D and E Expansion project at Cook County Airport, plus applicable contract forms. We received three bids last Thursday for the ten new units; Kellerman Construction was the low bidder at \$660,130.00. Based on funding and concurrence with County Commissioners, Passero recommends awarding the project to Kellerman Construction.

Brent and I discussed me coming to the Commission meeting February 15 to present the project to the County Commissioners. If that changes, please let me know.

Regards,
