

Request for Board of Commissioners' Action

From: Faye Hughes, County Administrator Date: 7/13/2021
Subject: 2021 LMIG Bid alternates Item Number: VIII- B

The Scruggs Company was the low bid on the recent 2021 LMIG projects. They were asked to give prices for additional paving to be done as alternates to the original bid. Originally, Daniel Hester Road was included in the resurfacing and was not supposed to be. Moving Daniel Hester to an alternate removing it from the original bid reduced the original bid of \$1,438,127.21 to \$1,032,320.21.

The alternates included: Daniel Hester – (resurfacing 2 MI) \$405,807.00

Ed Lindsey – 227,560.54
(resurfacing additional 1 MI)

Rountree Bridge Rd 152,207.72
(resurfacing 1 MI rather than patching)

Hutchinson Parrish Rd 488,530.28
(resurfacing 2.2 MI rather than patching)

Springhill Rd 132,349.03
(resurfacing .57 MI rather than patching)

Total Alternate projects: \$1,406,454.57

Total Original projects + Alternates \$2,256,654.60

In order for me to complete the contract, the Board will need to make a decision on which of the alternates to include in the contract.

Once a decision is made this item will need to be moved to regular session and voted on by the Board. I will then complete the contract send it to The Scruggs Company and the County Attorney. Once all the signatures and approval of the County Attorney have been completed, a notice to proceed will be issued. We will notify the County Engineer that a notice to proceed has been issued, as he has oversight and will be the person the Board will contact if problems occur concerning the projects.

Original Bid

Project(s): COOK COUNTY VARIOUS ROADS BID SUMMAR SHEET

ED LINDSEY ROAD	resurfacing 1.25 MI	256,574.40
