

Request for Board of Commissioners' Action

From: Faye Hughes, County Administrator Date: 1/7/2022

Subject: Road resurfacing striping Item Number: Work Session D

Work Session Discussion:

There was some discussion during last meeting concerning the cost of resurfacing and repairs on county roads. Over the past few years, the Board has been very good in working to get the most out of the funds we have available for resurfacing, repairs and striping of our roads.

It is time again to determine how to move forward on the balance of the roads that need to be resurfaced, restriped or paved all together.

The point of this discussion is so that I know which roads you are interested in taking bids on and for what purposed.

Motion made by _____
