

# Request for Board of Commissioners' Action

From: Faye Hughes, County Administrator Date: 10/04/2022

Subject: Whiddon Property Farming Lease Item Number: VIII-B

The lease for the Whiddon Property expires December 31, 2022. The current lease states if mutually agreed upon the lease can be extended for an additional two years. Then the lessee has the right to renew the lease from year to year unless the Lessor notifies the Lessee by September 15 their intentions to terminate same or alter the terms of the lease.

Currently the terms of the original lease have been altered and agreed upon by both parties due to the reduction in area in anticipation of the timber being removed.

It is my recommendation that the lease be extended two additional years.

Chair will need a motion to for the lease be extended two additional years \_\_\_\_\_
